I can cook potatoes!

I can't cook difficult meals with lots of ingredients. But I *can* cook potatoes! Potatoes are a fantastic vegetable. They're easy to cook and there are lots of ways to cook them. You can boil them and put butter on them. You can cut them up and fry them to make chips. You can bake them and eat them with cheese. Very easy!

English people eat a lot of potatoes but my favourite potato recipe is from Switzerland. It's called rosti. It's easy and very quick – ten minutes! The ingredients are two potatoes and half an onion. Grate the potatoes and onion and mix in a bowl. Add salt and pepper. Squeeze out some water. Then put some oil in a frying pan. Add the potatoes and onion to the hot oil. After a few minutes, turn over the rosti and continue to cook.

You can eat rosti with meat, eggs or salad. You can put cheese in it too! Delicious! Thank you, Switzerland!

Life at a language school in England

I'm Nari. I'm Korean, but English is an important language for me. I want to be a translator and I'm in England for six months at a language school. It's fantastic! I'm in a lovely town by the sea and I have a room with a very nice family. They speak English to me all the time. It's hard but very good for me. When I have breakfast, we speak English. When I watch TV, we speak English. I think I speak English in my dreams!

Every day I go to a language school and study English with students from different countries. We never speak our own language – only English. We have five lessons every day, from 9.30 to 4.30. We study difficult things like grammar but the teachers are cool and sometimes we sing English songs and play games in class. There's a lot of talking too. It isn't only books, books and books! But my dictionary is very useful! At the end of the course we get a certificate.

After lessons we often do sports or watch films at school, and at weekends I sometimes go on trips to interesting places with other students. I love this school. I have friends here from all over the world and learn about their cultures too. My best friend here is from Spain. It's a great life!

AmySays2:

A There's a new music video show on Channel 4 on Thursday evenings and I'm already a big fan of it! It's called *MusicMe!* There are lots of videos for new music and there are interviews with singers and bands. I think it's great because there

are all different kinds of music. My favourite is pop but I can also learn about other kinds of music. Some of the interviews are really funny – like the one last week with One Direction! At the moment I'm watching James Bay's new video – it's really cool. And later it's Ellie Goulding and an interview with the Vamps. Amazing! Watch this show, everyone. I recommend it 100 percent.

Musicmanbart3:

B The new video show on Thursdays is SO boring! I love music and I really enjoy watching video shows, but not this one! It's always the same singers and bands, and the same music – rock and pop. Why can't we have some new faces

and different music? The interview idea is good but perhaps the singers can answer questions from their fans and not questions from boring presenters. This can make the show more interesting. Today it's James Bay and Ellie Goulding again ... TV people, are you listening? We don't want yesterday's singers and music. We want tomorrow's!
