**Reading****Read the book review and circle "True" or "False."****My Favorite Novel***Thành Nguyễn, November 18*

My favorite book is *Yellow Flowers on the Green Grass* (*Tôi Thấy Hoa Vàng Trên Cỏ Xanh*). It's an interesting novel. The author of the book is Nguyễn Nhật Ánh. The book is about Thiều and the people around him. I like the book because it shows us many beautiful things in Thiều's village. It is a peaceful village with green grass, trees, wind, and yellow flowers. Some parts of the story are very sad. I cried a lot when I thought Thiều's brother, Tường, cannot walk again. I really like this book. I think you should read it.

Singapore or Kuala Lumpur? Which City Is Best for You?

Mary Clark, May 5

I recently traveled to two fantastic cities. Kuala Lumpur and Singapore have many differences but they are both great places to visit. So what do you do when you only have time to visit one? Here are some points to help you.

There is a lot to see and do in both cities. Kuala Lumpur is bigger and you might need to travel quite far to get to some attractions. Both have many shopping malls but Singapore has more amusement parks.

I think Singapore is more modern than Kuala Lumpur in some ways. The public transportation system is fast and comfortable. Malaysian buses and trains can be very crowded.

One of the best things about Asian countries is their food. Both cities have many tasty dishes, but in my opinion, food in Kuala Lumpur is cheaper. Now, you know the differences, which city is best for you?

1. Singapore is very different from Kuala Lumpur.
2. Kuala Lumpur has more shopping malls and amusement parks than Singapore.
3. Public transportation in Singapore is more modern.
